To Our Bishop Leibold Families:

Welcome to the 2019-20 school year at Bishop Leibold Catholic School!

Our focus going forward is on FAITH, GROWTH and FAMILY. Our school's mission refers to our school as a Catholic community which speaks to our focus on FAMILY. Many parents have described their experiences at Leibold to me as an extended family of cherished friends and committed co-educators of their children. Further, parents give voice to the importance of FAITH development of their children in an environment at Leibold in which many teachable moments occur each day in service, study and prayer. Finally, parents speak proudly about the quality of education at Leibold and how well prepared their children are for high school and beyond (GROWTH).

As we begin our school year together, **we offer this Family Handbook as your reference “*Guide*”** throughout the year.

If you are already a very active family in the BLS experience, I say THANK YOU. If you are still trying to identify ways to get more fully involved, I encourage you to make it happen this year! **It is vital to your children that you know their teachers, that you actively track their progress and that you attend many of the wonderful variety of activities that are such an integral part of what is offered over the course of each school year.**

Thank you for entrusting your children to those of us who have the wonderful opportunity of being Staff members at BLS!

TOGETHER, we can become the FORCE that distinguishes this very special place--Bishop Leibold Catholic School!

It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

In Catholic schools, all curricular and extra-curricular activity is rooted in and consistent with, the principles of Catholic doctrine. Catholic Schools

- Support students with gender dysphoria by treating them with sensitivity, respect, mercy and compassion.
- Require that participation on school teams be according to biological sex
- Require that the names and pronouns be in accordance with the person's biological sex
- Designate Catholic sex education, uniforms, and gender appropriate dress, bathrooms, locker rooms, showers and sleeping accommodations on trips according to biological sex
- Maintain names in school records according to the student's biological sex
- Provide reasonable accommodation to a private bathroom for use by any student who desires increased privacy
- In case of a specific request, consider it in a compassionate way, on a case-by-case basis, the physical and psychological needs of a student based on the following questions:
 - What is the specific request of the student and/or parents?
 - Is the request in keeping with the teaching of the Catholic Church?
 - Is the school reasonably able to accommodate the request?

Accreditation

Bishop Leibold School is fully chartered by the Ohio State Department of Education and is accredited by the Ohio Catholic School Accrediting Association.

The History of Bishop Leibold School

Bishop Leibold School was formed in 1974 when, after a year of study, the members of St. Henry and Our Lady of Good Hope parishes agreed to consolidate their grade schools.

Prior to the consolidation, Our Lady of Good Hope School was experiencing insufficient student enrollment and rising per-pupil costs. St. Henry School, on the other hand, had a severe space shortage. There were 284 students in grades 2 to 8, and additional space was needed for the library, faculty room, and improved health and storage facilities.

Members of both parishes voted on the proposed merger, and agreed to form a single school system, financed, and governed by both parishes:

- The consolidated school would be financed by tuition and by parish assessment. Each parish would pay its own share of the budget based on the number of students from the parish who were registered in the school.
- The school would be governed by a board of education which represented both parishes. Its members would include both pastors, the principal(s), and lay representatives elected by each parish.

A first grade was offered to St. Henry parishioners for the first time in September 1974, when Bishop Leibold School opened its doors to 499 children from the two parishes. Our preschool program was added in the 2008-2009 school year. Students in grades 1-4 attended the West Campus in Miamisburg. The East Campus housed students in grades 5-8.

Growth, both spiritually and academically, continues to call the Bishop Leibold Community. Beginning the 1989-90 school year, Bishop Leibold School extended its educational program to include a Kindergarten. Since 1995, the West Campus houses Preschool through grade 3, and grades 4 through 8 attend the East Campus.

Archbishop Paul F. Leibold **(1914 – 1972)**

Archbishop Paul F. Leibold was born in Dayton, Ohio in 1914. A graduate of Chaminade High School and the University of Dayton, he was ordained to the priesthood in 1940. He served as assistant chancellor and chancellor for the archdiocese, as well as pastor of St. Louis Church in Columbus.

In 1958, he was named Auxiliary Bishop of Cincinnati, a position he held for eight years until being named Bishop of Evansville. In 1969, this native son returned as Archbishop of Cincinnati, where he was known for his pastoral style and willingness to serve the people. He launched the sixth Archdiocesan Synod and involved many lay people in archdiocesan work and decision-making. He was devoted to ecumenism. Just days before his sudden death in 1972 at the age of 57, he ordained 11 men to the priesthood; these young men served as pallbearers at this funeral.

Archbishop Leibold's grand-nephew, Deacon Leibold, visited the school twice in 2018 to share some personal stories of "Uncle Pul" that enabled students, staff and parents to get to know the namesake of our school from a unique perspective. The words *humble and holy* were often used to describe Bishop Leibold's lifetime of ministry.

Faith Formation and Academics

FAITH FORMATION

Faith formation is the primary reason for the existence of Bishop Leibold School. Through the transmission of Catholic doctrine and the experience of Christian Living within the daily school environment, teachers strive to assist parents in the moral and faith development of their children. Learning to pray, classroom religion instruction, deepening one's faith, and showing love and respect to all persons in daily school life and community service projects are essential aspects of the total faith formation program. Students in grades 2 and 8 participate in school day retreats. **Please refer to our school website for the wonderful religion topics that are covered at each grade level.**

DAILY ACADEMIC INSTRUCTION

Teachers devise and execute lesson plans that follow state standards and the graded course of study from the Archdiocese of Cincinnati. To ensure that instruction meets the needs of all students, teachers utilize their own assessments, student participation, test results and standardized assessment information such as IOWA's. i-Ready student academic growth assessments will be given in math and reading to all K-8 students in the fall, winter and spring. i-Ready provides teachers with specific information about each student's strengths and challenges that can be used to adapt instruction throughout the year. Parents will be shown how to access the i-Ready information for their children so that they can track progress throughout the year.

HOMEWORK POLICY

Students should not experience hours of nightly homework at Bishop Leibold. Homework is assigned to practice concepts learned in school and to exhibit understanding of those concepts. In addition, time at home is required to complete reading assignments, project requirements and preparation (review) for quizzes and tests.

Parents can keep track of assignments, grades and test dates via Option C as all teachers are required to keep that information updated for students and their families.

Students who are absent have one day for each day missed to complete their assignments. Every attempt will be made to limit subject level tests to no more than two on any given day. Additionally, make up test/quizzes will be scheduled on a time worked out by the student and teacher.

West Campus: Grades 1-3

Students who fail to complete their homework may lose recess time to do so. Parents will be contacted if this becomes a continual problem.

East Campus: Grades 4- 5

Failure to turn in a complete assignment on the due date will result in a lowering of a letter grade for each day it is late. After three missing assignments, students will be **required** to attend a Wednesday Study Table to complete any missing work or assignments currently in progress.

East Campus: Grades 6,7,8

If a homework assignment is NOT turned in on its due date:

- 1) The grade will be reduced by 50% if the assignment is turned in one day late.
- 2) On the second day, no credit is issued
- 3) Make-up time due to an excused absence will follow school policy.

JON PETERSON AND EDCHOICE SCHOLARSHIP STUDENTS

The state requires that all students in grades 3-8 who are using the EdChoice or Jon Peterson Scholarships take the state proficiency tests. BLS administers the test on site during the fall (Gr. 3 reading) and spring (Gr. 3-8) testing windows determined by the state.

BLS is also required to abide by the 3rd Grade Reading Guarantee state policy regarding promotion to grade 4 based upon reading testing results. See Ohio Department of Education for more details.

SPECIAL EDUCATION CHILD FIND AND MULTI-TIERED SYSTEMS OF SUPPORT (MTSS)

In accordance with State and Federal Law, the school district where a chartered nonpublic school is located is responsible for locating, identifying, and evaluating all children who are suspected of having a disability. Bishop Leibold is located within the geographic area of Miamisburg City Schools.

Bishop Leibold and Miamisburg City Schools have established a child find process to help parents and teachers use a differentiated referral process to locate, identify, and evaluate students suspected of having a disability. Such activities are completed in a time period comparable to students attending public school districts. Children with a disability enrolled by their parent in a chartered nonpublic school must be reevaluated by the district where the nonpublic school is located at least once every three years. If you have any questions regarding the child find process, a re-evaluation, or suspect a concern related to a student, please call either school office.

Multi-Tiered Systems of Support (MTSS)

What is MTSS?

In order to improve how Bishop Leibold meets the needs of every student in grades K-8, we have initiated the multi-tiered systems of support (MTSS) process.

The four primary emphases of MTSS are: 1) To expand and more fully utilize the student progress data sources and more frequently monitor and communicate student progress, 2) To use a **School Leadership Team (SLT)** to monitor student progress data trends at each grade level and over the course of multiple years in order to identify and implement strategies and deploy resources to provide all supports and refinements, 3) For teachers to collaborate to review each student's progress data each week in order to design the most responsive and effective uses of daily instructional time and 4) To inform the interventions being provided by our Student Support Team and initiate the formal evaluation process when a disability is suspected.

The **School Leadership Team (SLT)** that will meet monthly to review student progress data trends using i-Ready, IOWA's, DIBELS, state tests, teacher report cards and others. Teachers will use this data weekly to collaborate with grade

level and subject colleagues and our **Student Support Team (SST)** to ensure that all students are being appropriately challenged, to devise instruction that meets the needs of each student and to effectively and consistently communicate student progress to BLS parents.

Teachers, the SLT, and SST will identify students who need additional support in specific areas. Students who are not performing at grade level in any particular subject and students with specific learning needs comprise “Tier 3”. Students on accommodation plans and those identified as requiring additional classroom support comprise “Tier 2”. Tier 2 and 3 students will receive interventions from our SST and classroom teachers. All remaining students comprise “Tier 1” for which daily classroom instruction provides for their academic progress.

Who is on the School Leadership Team (SLT)?

Members of the MTSS team include Dr. Wallace, Mrs. Borchers, our Intervention Specialists--Miss Haddix and Miss Marsh, Teacher Interventionists--Mrs. Brashears and Mrs. Fisher, Classroom Teachers--Ms. Klimaski, Mrs. Kopec, Mrs. Kemper, Ms. Schwertman, Ms. Myers, and Mrs. Ravestein.

Who is on the Student Support Team (SST)?

Members of the Student Support Team includes Dr. Wallace, our Intervention Specialists, Teacher Interventionists, Classroom Aides, Counselor, Nurse and Speech Therapist.

What if my child continues to struggle even with Tier 2 or 3 additional supports?

MTSS is designed to identify student struggles as early as possible and provide interventions to help the student make progress in areas of weakness. However, if interventions have been provided and documented for an extended period of time, and the data trends do not reveal that enough progress is being made, then the team may determine that a disability is suspected that is impeding the student’s learning. Parents or guardians will be communicated with regularly if a student is reaching this point and will be well informed about their rights and options for next steps.

How does a child qualify for an additional support?

If the child’s educational team suspects a disability, a pre-evaluation meeting will be scheduled with Miamisburg personnel, BLS staff, and the child’s parents or guardians. At this meeting, the data on the child’s progress will be presented and discussed, and the team will make a decision about whether a disability is suspected. If the team agrees on a suspected disability, then an evaluation will be conducted.

What does a full evaluation entail?

A Miamisburg School Psychologist will detail all of the elements that go into a multi-factored evaluation. It involves gathering information from parents or guardians, teachers, and formal testing such as an IQ test and norm-referenced academic assessments in reading, writing, and math. All of this information will then be presented at another team meeting and the team will decide whether all of the data presented qualifies a student with a disability under the Individuals with Disabilities Education Act (IDEA). It is important to all of us at Bishop Leibold School that our students’ parents or guardians know that you are full participants in this process and that your rights are clearly delineated in thorough written descriptions of the laws and processes that govern this identification and evaluation process.

What are the options after a child qualifies?

Parents or guardians have the right during any point in the process to refuse or deny testing or services. If a child qualifies, there are two options at Bishop Leibold School. Parents or guardians may choose to apply for the Jon Peterson Scholarship and have the school district of residence write an Individualized Education Plan (IEP), or they may choose to have Bishop Leibold write an Individualized Service Plan (ISP).

What is the Jon Peterson Scholarship?

The Jon Peterson Scholarship is a scholarship offered to students who qualify for special education services. This scholarship provides funding for required special needs services outside of the public school setting. JPS students at Bishop Leibold also receive some tuition reduction. For 2019-2020, the tuition reduction is \$1,100. Please [click here](#) for more in depth information on the Jon Peterson Scholarship.

What is the difference between an IEP and an ISP?

An IEP is written and implemented by a public school district. An ISP is a similar document that is utilized by private schools. Both documents include specific, individualized goals and plans for instruction to help a student make progress in the classroom. Both are also legal documents that allow for individualized instruction provided by an intervention specialist.

How will student progress be communicated to BLS families?

Teachers will outline course objectives, classroom practices, homework expectations, test and project dates and grades through Open House, use of Option C school management system, at our school and family conferences, and curriculum nights. This year, we have added a second “round” of conferences and both of our conference dates will be “student-led”. Teachers will prepare each of their students to present their progress via report cards and their goals for the upcoming quarter. Teachers will affirm the positive progress made, provide specific details regarding student progress and respond to any questions that parents have.

It is important that all students attend their conferences this year. Student-led conferences enhance student pride and ownership of their progress and commitment and enable parents to connect with teachers with their children present.

STANDARDIZED TESTING

The Iowa Test of Basic Skills will be given in March/April of the 2019-2020 school year in grades 1 thru 8. EdChoice Scholarship students in grades 3-8 will participate in state testing as required. The ACRE religion test is given to 5th and 8th graders in January. A discussion with the principal is advised if questions need to be answered regarding any of these tests and their results. We request that appointments be avoided during this testing time as well as having students well rested.

REPORT CARDS AND CONFERENCES

Report cards are issued quarterly to grades 2 through 8. Students in grades K-2 will be provided with a standards based progress report which indicates to parents the status of their child’s progress toward mastery of grade level standards.

STEM classes (grades 3 - 8) will provide a grade to be included in the student’s science, language arts or math class.

The grade scale is as follows for grades 3-8:

A+ = 99-100	B+= 91-92	C+= 83-84	D+= 75-76
A = 95-98	B = 87-90	C = 80-82	D = 72-74
A- = 93-94	B- = 85-86	C- = 77-79	D- = 70-71
			F = Below 70

Conferences for K-8 will be held twice this year and be student-led. Conferences will be held November 7 and 8 and March 12 and 13. **Students are required to be present to lead their conferences.** Teachers will prepare students to lead their conferences. This type of school-parent conference enables students to share the good news of their work, what they need to work on and their goals for the next quarter.

HONOR ROLL

Some of you may know that Catholic schools in the Archdiocese are to move to standards based report cards which do not contain letter grades. For 2019-20, this card will be used at BLS in K-2. We are attending a training in August and will craft a full implementation plan for K-8 of this report card by BLS. Due to this direction and after reviewing the data for at least the past three years we have decided to no longer have an honor roll. We found that about two thirds of all students have reached the honor roll each quarter. Also, the current practice does not “honor” those students who work hard toward their potential but cannot achieve the highest level of our grading scale. We will, however, continue to recognize high achievement, exceptional behavior, punctuality and attendance.

FIELD TRIPS

Field trips are designed by the teachers to be an extension of the classroom curriculum. They are recognized as an integral part of a sound educational program. Students may be denied the privilege of attendance if their classroom behavior has been inappropriate. If a permission slip is not signed by a parent and returned to the school the student will not be permitted to participate. Permission slips for an upcoming field trip will include the time, place, event, and the dress for the event. (The 8th grade trip to Cedar Point has a specific behavior plan to earn the opportunity to go on the trip.)

BOOK CARE

A book bag should be used whenever books are taken home. Also, all textbooks should be covered. Textbooks are expensive and disregard to their proper care can result in book fines and complete replacement of the assigned text.

RETENTION POLICY

To retain a student is never an easy decision. Many factors must be considered before a student is retained. These include the age and maturity of the student, the student’s innate ability, student effort, student attendance record, a student’s strength in basic skills of writing, reading, and math, a student’s success in mastering the performance standards established at each grade level, and the student’s social development. Regarding a student’s movement to the next grade level, we will use one of the three designations of Pass (Promoted), Place, or Retain.

1. Retain – a student will repeat the grade level just completed due to the fact that he/she has failed two or more major subjects for the entire year. An exception may be made if there is a significant reading deficit. This would most likely occur in the primary grade levels. Any student retained or being considered for retention **MUST** have a parent meeting to discuss the child’s placement for next year.

2. Place – a student placement to the next grade level occurs when a child failed two or more major subjects for the year, but has either completed a summer school program acceptable to BLS, or has completed a tutorial program with one of our recognized tutors over the summer months. Parent conference MUST occur to discuss the child's placement and what must occur to move forward to the next grade.
3. Pass (Promoted) – a student is passed to the next grade when he/she has received minimally passing grades (D or above) in all subjects and has failed only one major subject. Teachers may strongly recommend a student take summer school or be tutored in the failing subject or area of weakness, but this will not be a determinant on the student's passing if they do not follow this recommendation.

* Ultimately the decision is made by the school in consultation with the family.

* If there is potential for retaining or placing a student a meeting will take place early fourth quarter.

* Ability Adapted Curriculum – This mark is used sparingly. There is a difference in differentiating the instruction and recreating the curriculum to adapt to one's ability. For example, shortening a student's vocabulary list or spelling list is NOT an ability adapted curriculum change, it is an accommodation or strategy in differentiating instruction. Having a fifth grader reading out of a second-grade literature book is adapting the curriculum. Very few of our students fall in this realm. If you have a question or concern in this area, please contact the teacher.

COMPUTER INTERNET POLICY

This information can be found on our school website. If you have any questions, please refer to the school office.

ELECTRONIC DEVICES

Students are not permitted to have cell phones, iPods, headphones or other visible devices on their person when at school or on the bus, unless directed to do so by the teacher. Family members should contact the school office if they wish to leave their child a message during the school day. It is understood by the school administration that students may need to communicate with their parents after school. **As a result, cell phones may be brought to school, but MUST (unless directed otherwise by the teacher) remain in backpacks and turned off at all times, even on the bus.**

If seen or heard, the following consequences will take place:

1st offense: The teacher will confiscate the device and return it to the student at the end of the day.

2nd offense: The teacher will confiscate the device and it will remain in the office until a parent comes to pick it up.

ARCHDIOCESAN TECHNOLOGY POLICY

Information on Responsible Use of Technology policy, issued by the Archdiocese can be found on our school website. Please note, there is a form to fill out online to accept this policy. Students and parents both need to review and sign this document.

Student Activities and Behavior

BISHOP LEIBOLD STUDENT CODE OF CONDUCT

To have a safe and effective teaching and learning environment, it is necessary to have some parameters and consequences regarding student behavior.

Most importantly, we plan to regularly recognize all students who exhibit strong values, cooperation and leadership. Perfect attendance, punctuality, and zero demerits or detentions will also be recognized.

It is also necessary to utilize this code to guide students and correct their choices that, in the opinion of the Bishop Leibold Staff, interrupt the order that is necessary in groups to fully service almost 400 students and their families while enabling teachers to focus on the lessons planned each day.

To this end, the following section was developed. It defines the three groups of offenses and the consequences moving from least serious to most serious.

Bishop Leibold School reserves the right to modify these offenses and consequences if we determine an action to be inappropriate to the teaching and learning environment and in keeping with our Catholic values and teachings.

Success Plans

For students with a negative pattern of behaviors that are detrimental to the students and staff of Bishop Leibold, the school and parents will meet with the student to create an agreement known as a Success Plan. The plan is a commitment by the student to immediately improve and sustain their behavior and/or academic effort to an acceptable level to remain as a student at BLS. The student, parents and school representative will meet to complete and sign this plan. The student's primary teacher will provide a written progress report to the student and parents every two weeks. The goal of the Success Plan is that the plan will no longer be necessary thanks to a positive sustained change in the student's behavior and/or academic effort.

Suspensions

Suspension of a student means they are not permitted to attend school for a period of not more than ten days.

During a suspension from school, the student:

- 1) Must make up the work they miss as it will count toward their grade.
- 2) Is ineligible and may not attend for any school activity, practice or performance.

A meeting with the student, parents and principal is required for a suspension to occur. The suspension notice will be provided to the family in writing and the reasons for the suspension will be discussed.

Demerit/Detention

Students in grades K-8 will receive a demerit for a single significant, inappropriate action or a series of minor disruptive behaviors. A teacher or staff member will contact the parent when a demerit is issued and when a detention is earned.

Consequences

- 3 demerits= 30-minute detention the following Wednesday from 3:00-3:30p.m.
An additional detention will be added for demerits number 4 and 5
- 6 demerits= 1) Detention will be held the following Wednesday from 3:00-3:30 p.m. in grades K-3 and 3:00-4:00 p.m. in grades 4-8
2) Loss of five consecutive days of recess (K-8)
3) Success Plan
- 7+ demerits= 1) Out of school suspension
2) No BLS co- or extra-curricular activities for seven consecutive days
3) Success Plan
4) A student may be expelled or asked to withdraw.

SCHOOL DETENTION

Detentions are earned either by an accumulation of demerits or by requirement of administration. Detention times are described under consequences in the previous section. If a student fails to serve a detention, additional Group A consequences will be given.

Group A, B and C Offenses and Consequences

Group A Offenses

1. Disobedience
2. Disrespect
3. Cheating/Dishonesty
4. Disruptive behavior
5. Inappropriate language/materials/Obscene gestures
6. Unexcused Tardy-three or more unexcused tardies will result in a detention for each tardy.
7. Failure to serve detention

Group A Consequences*

1. Apology
2. Teacher classroom rules and consequences such as loss of recess
3. Demerit

Detention could be earned as well.

***Repeat Group A Offenses will result in more serious consequences**

Group B Offenses (could be defined as a Group C level of offense in the opinion of the school based on the severity)

1. Inappropriate use of social media
2. Threaten assault
3. Extorting money or anything else of value from another student
4. Vandalism or destruction of school property or personal property of students, staff or visitors.

STUDENT CONFIDENTIALITY

All certified teachers and teacher aides at Bishop Leibold School, along with the school office staff, are privy to confidential information about a student, the student's family, or a situation that requires confidentiality. Teachers and staff members entrusted with this knowledge must be ethical and professional. It is important that this information be held in confidence. Breaches of confidentiality are subject to consequences.

BULLYING

Every student has the right to feel physically, socially and emotionally safe at Bishop Leibold School. Taking principle #6 from The Principles that Guide Us, BLS believes in creating a school environment that is immediately recognizable as Catholic and reflects the atmosphere of family life. Bullying behavior is contrary to our Catholic beliefs on how we treat one another and is counter to one of our belief statements, "We are a faith community actively promoting and modeling the Gospel message."

Bullying is a form of aggression different from normal conflict. Important to remember is that bullying is an imbalance of power that is characterized by intentional and repeated actions to create stress, injury or discomfort to another. Bullying implies that a student is being targeted with either physical or verbal actions. These actions could include punching, shoving, tripping, name calling, gossip, teasing, humiliation, ostracizing among many other types of hazing or intimidating behaviors.

What should a student do if he or she is the target of bullying?

- Clearly and firmly tell the person to stop
- Remove yourself from the situation
- Do not retaliate
- Immediately report an incident to an adult at school
- Avoid being alone with the person involved
- Inform your parents
- Review the statements included in the BLS Pledge

What will the school do when an incident is reported?

- Respond quickly and sensitively to the report
- Maintain confidentiality, unless the victim is willing to confront the aggressor in the presence of the principal to resolve the issue
- Deal with bullying on an individual basis
- Provide immediate consequences for retaliation against students who report bullying
- Communicate with parents

What will the BLS Community do to promote a safe environment?

- Supervise students in all areas of the school and playground
- Watch for signs of bullying and intimidating behaviors and intervene when it happens
- Review the BLS pledge with students on a quarterly basis
- Take seriously parent and student concerns regarding bullying

PLEDGE – ANTI -BULLYING

A document found in the back of this handbook outlines our policy on bullying, hazing, and harassment. Your family will sign an online form acknowledging their review and acceptance of said policy.

SEARCH AND SEIZURE

Students have the right to privacy of their person and property and may be searched by the principal or his designee with just cause or suspicion. Items or materials considered disruptive to the educational process or items possessed in violation of the student code can be confiscated by teachers or staff.

Desks and lockers, considered property of Bishop Leibold School, are subject to inspection by the principal or his designee in case of an emergency or reasonable suspicion of a violation of the student code of conduct.

If there are more applicants than the school can reasonably accommodate, preference will be given to the parishioners of St. Henry, Our Lady of Good Hope, and St. Mary of the Assumption.

Registration Requirements:

- Completed information sheet, application, and registration forms
- Copy of Birth Certificate
- Baptismal Certificate for Catholic Students.
- Custody papers, if applicable.
- Immunization records.
- Previous report card.
- Registration fee (non-refundable)
- Screening exam to be completed before final admission is granted.

Refusing to provide requested information to the school, or providing false, incomplete, or inaccurate information to the school, may result in the denial or revocation of admission and/or disciplinary action, up to and including suspension and expulsion.

ARRIVAL AND DISMISSAL AT SCHOOL

The school hours at Bishop Leibold campuses are:

Full Day Kindergarten and Grades 1 to 8 – 8:10 A.M. to 3:00 P.M.

AM Kindergarten – 8:10 A.M. to 11:00 A.M.

Students are asked to arrive no earlier than 7:45 A.M. unless the bus schedule dictates otherwise.

East Campus Procedures:

Students are to report to their first period (homeroom) at 8:00 A.M. (First Bell).

Classes begin at 8:10 A.M. with prayer, the pledge, and morning announcements (Second Bell). Students not in their room by the second bell at 8:10 AM are tardy.

West Campus Procedures:

Students will be permitted to go to their classrooms at 8:00 A.M.

Classes begin at 8:10 A.M. with prayer, the pledge, and morning announcements.

Students not present in their room by 8:10 A.M. are tardy.

Students who arrive before 8:00 A.M. will be supervised in the cafeteria.

Morning tardies are only excused if it is related to a weather or traffic event that impacts a significant number of our families or a personal emergency experienced by a family that communicates such to the Main Office on that morning at arrival. Otherwise, please note that all unexcused tardies result in a demerit each time and will be included in the state law regarding truancy which includes all school time missed, not just full or partial day absences.

Dismissal

A child is not dismissed from school until his/her mode of transportation is called.

West Campus / East Campus Car Riders – The safest procedure is for ALL students to be picked up through the car rider line or check out through the office. Dismissal practices will be updated for safety purposes. Car rider students at the West/East Campuses will not be released to parents until 3:00pm dismissal. Parents are asked to wait in the lobby, instead of going to the classroom.

West Campus Families: This option is not to be used to avoid the car rider line. We must avoid excessive foot traffic on Third St. in the alley and parking areas in order to maximize the safety of everyone during our dismissal time. The only families permitted to park by Our Lady of Good Hope at dismissal are those few families who must leave West and get to our East Campus. Be sure to make verbal and visual contact with one of the Staff members who are handling the car rider dismissal. Students will not be released from line until the parent walks up to the staff members to make the exchange.

Please follow the entrance/exit procedures that can be found on the school website.

If a child has the parent's permission to ride with another parent, a note granting such permission should be signed by the principal/secretary and kept on file for the remainder of the school year.

Children who are bus riders most of the time must have written permission from parents stating which days they will be car riders or walkers. This is mandatory for both campuses.

No child will be kept after school without the parent's consent or knowledge. Those remaining for extracurricular activities will be the responsibility of the parents. If your child's mode of transportation is going to change during the day, please call either office **before 2:00 P.M.**

ATTENDANCE, ABSENCE, AND VACATIONS

Parents are required to call the school before 8:45 A.M. to report a child's absence or tardiness for any reason during the school day including but not limited to: late arrivals, early dismissals, doctor appointments, etc. If you would like to have your child's homework picked up at 3:00 P.M. or sent home with another student, please indicate this when you report your child's absence. A note should be sent in with your child when they return explaining the reason they were out of school.

Chronic Truant - A child absent "without legitimate excuse" 5 or more consecutive school days, 10 or more school days in one school month, or 15 or more school days in one school year is a chronic truant. Partial school days missed for late arrivals or early dismissals will also be included in this truancy calculation.

Habitual Truant – A child absent "without legitimate excuse" 5 or more consecutive school days, 7 or more school days in one school month, or 12 or more school days in one school year is a habitual truant. Partial school days missed for late arrivals or early dismissals will also be included in this truancy calculation.

* Chronic or Habitual truants (defined by State of Ohio attendance rules) may have their case submitted to juvenile court. Attendance violations are grounds for a student being withdrawn from BLS.

Excused/Authorized Absences include:

1. personal illness
2. illness in the immediate family
3. death of a family member
4. emergency or circumstance which in the judgment of the principal constitute a good cause for absence.

Parental permission does not make an absence excused or authorized if it does not meet the criteria set forth above. Students are responsible for any missed assignments during their absences. Time allowed for make-up work to be completed is equal to the number of unexcused days missed. Please note, after three or more consecutive days of absence you must present a doctor's note.

Vacations – Class time is a vital importance to our children's education and vacations during school days are discouraged. Parents assume the responsibility if a child is taken out of school for a family trip. A vacation form must be filled out no later than a week prior to the student's absence and submitted to the teacher. The teacher will give make up work upon the student's return where **the student will have one week to complete and return to the teacher. Teachers may choose to but are not required to get the work ready for the student before they leave.** If improper or no notification is given, the principal will be notified and students risk the possibility of not being able to make up the missing work. The school reserves the right to determine that school days missed for a vacation may be unexcused if a pattern of school absences beyond a single vacation during the school year occurs. For example, repetitive days missed during a year for competitions such as dance, cheer, sports, theatre, modeling, etc. may be unexcused and included in truancy calculations. School work will still be required to be made up but the grades for this work will be docked.

Appointments – Parents should send a note, dated, and signed by the parent to the school office stating the appointment time, departure time and the name of the adult responsible for the students' whereabouts. The responsible adult must come to the office to sign out the student and must sign in upon the student's return. Students are responsible for any assignments due during the time of their absence.

BEFORE AND AFTER SCHOOL CARE

We are excited to continue our Morning and After Care programs this coming school year. Below, you will find details on the two programs being offered. Families may pay a single registration fee for both programs; however, they are priced and billed separately. Your family will be charged on a monthly basis for the days/ weeks your student(s) attend. Both programs will run during the school year beginning August 19, 2019 - May 22, 2020. Registration information can be found on the final page of this packet.

Morning Care Program (before school) 7:00 a.m. – 8:00 a.m.

Our morning care program is perfect for families searching for care prior to the start of the school day. The Morning Care Program, located in the cafeteria at both campuses will open at 7:00 a.m. Students in grades K-3 will be at our west campus and grades 4-8 will be at our east campus. This will be a quiet time to study, to finish homework, and to interact socially with other students through quiet play. A small morning snack will be provided, and a full breakfast is available to purchase. At 8:00 a.m., students will be dismissed or taken to their homerooms. Morning Care will not be offered on days that our school incurs a two hour delay.

After Care Program (after school) 3:00 p.m. – 6:00 p.m. (3:00-4:30 at west campus daily)

The After Care Program is perfect for families looking for care for their student after the school day is over. Students in grades PK-3 will be offered an abbreviated program at our west campus from 3:00-4:30. Students in grades K-3 that would like to take advantage of the full program will be bused via Miamisburg School District busing and will be at our east campus. The program will include snack, outdoor play, indoor games, and will provide the opportunity for quiet time to work on homework and study. **This program will be in session all school days. On our Early Dismissal Days, aftercare will end at 4:00 p.m. No before or aftercare will be available on snow days.**

BUS TRANSPORTATION

State law dictates that all districts are required to provide transportation if the student lives more than 2 miles from BLS and within 30 minutes of the district's center. Bus transportation is currently provided for those eligible by the

Miamisburg, West Carrollton, Centerville, and Springboro School Districts. All bus schedules, regulations, and routes are determined by these school districts. Those families who live outside the above districts and provide their own transportation will be reimbursed by the State at the end of the year for each day their child attended class. (You must apply for this through your district.) Note: Students from another school district can be transported and be eligible for transportation by Centerville, Miamisburg, Springboro and West Carrollton through authorization by the district's school board.

- Lists of all students eligible for bus service are kept on file at each districts' Board of Education. Withdrawals, new enrollments, or change of address, necessitating change of bus assignments, should be given to the school office in order that this information may be forwarded to the proper district.

- Children are requested to talk quietly and to behave in a Christian manner while on the bus.

- Children may ride ONLY on the bus to which they have been assigned unless they have a permit authorized by the principal to use another bus. To obtain this, parents must make the request by written communication. **A child from one school district is not permitted to ride a bus from another public school district.**

- When a child causes a disturbance on the bus the school district bus driver will give them a warning or written citation and the parent will be notified. Continued misbehavior will result in the bus's school district denying the child the privilege of riding the bus. Questions regarding bus schedules should be directed to transportation supervisors at the following offices: Miamisburg (866-1283), Springboro (748-3960), West Carrollton (859-5121 X 8960), and Centerville (885-7776).

CAFETERIA

Well-balanced hot meals are prepared for our students each day at both campuses. Students are not permitted to bring canned or bottled pop or any carbonated drink as part of the sack lunch program.

**The Bishop Leibold Cafeteria is serviced and operated by the St. Albert Nutrition Services.

Please visit the website for information on breakfast programs, café updates, menus, payment options, free and reduced forms, lunch prices, snacks, and nutritional information. You can access it through the school website or go directly to <http://www.stalbertnutritionservice.com/>

PARENT LUNCH WITH CHILDREN

Parents who wish to have lunch at school with their children need to notify the school office between 8:00am-8:30am.

***** No fast food/take-out food may be brought to the lunchroom by parents. *****

SCHOOL CANCELLATIONS/ DELAYS

It is important that all families understand how the bus systems work. Four bus districts serve Bishop Leibold.

- Delays:

In case of delays, follow the bus system that your student rides. If one of the districts has a 1 or 2-hour delay, all students who ride that system's buses, including Bishop Leibold students, are delayed. For example: A BLS student normally

rides a Springboro bus at 7:15 A.M. If Springboro were on a 2-hour delay, the BLS student would be picked up at 9:15 A.M. at his regular stop. Since the bus was the reason for the delay, that student will not be counted tardy.

- Closings:

Regarding school closing, Bishop Leibold will be closed only when Bishop Leibold School and /or Miamisburg City Schools are specifically named on the television or radio. *In the case of school closings, we will send a voicemail to all current families.* Please listen to WHIO radio 1290 AM, or watch or check online for television stations WHIO (Ch.7) or WDTN-TV2 (Ch.2). Please do not call the rectory in this regard.

- Early Dismissal:

In this situation, the students are at school, the weather deteriorates, and the bus system decides to get the students home early. *In the case of early dismissals, follow the bus system that your student rides.* Example: A BLS student rides his usual West Carrollton bus to school. During the morning, it begins to snow. West Carrollton bus district decides to transport students home at 1:00 P.M. The BLS student would ride his West Carrollton bus home at 1:00 P.M. He/she will not be counted absent, as the bus was the reason for his leaving.

Pre-Kindergarten and Pre-School classes will be cancelled if **both** Springboro and Miamisburg City Schools are on a two-hour delay. Pre-K and Pre-School days missed due to delays will try to be rescheduled as make-up days. Students in our full day programs will still attend school on days with delayed starts.

NOTE: In August, parents complete an Emergency Dismissal Form for each student. This form gives the procedure determined by the parent for each student to follow in the case that school dismisses early. If the weather is unusually bad, please watch the TV for your bus district to be named. **If unsure, you may call the school or check the school website at www.bishopleibold.org**

COMMUNICATIONS

SCHOOL COMMUNICATION

Bishop Leibold School communications will be given during homeroom each Wednesday. Please check with your students each Wednesday afternoon to receive these communications.

If your organization is submitting copy for the School Offices to copy flyers for the students, the copying deadline is each Monday at noon. If school is not in session on the Monday before your organization's Wednesday release date, the deadline will be noon of the preceding Friday (or noon of the preceding last in-session school day). As a courtesy to our parent volunteer leaders, exceptions to this copying deadline due to unforeseen circumstances may be granted by the school secretaries; please call them to discuss this possibility.

DESIGNATED CARRIER PROGRAM

The school often sends communications through our Designated Carrier Program, which reduces environmental and school administration costs. The Designated Carrier for each family will be their **youngest** BLS student, unless the parent/guardian specifies otherwise on the form provided at the beginning of the school year.

It is the student's responsibility to bring home written materials produced by the school or other supporting organizations. Please check often with your designated carrier student for materials that have been sent home.

Bishop Leibold School receives many requests to send home flyers or handouts from different groups or organizations. Please note the following guidelines the school will use to allow materials to be sent home via our designated carriers:

- BLS school-related announcements or fund raising materials (ex: CommUnity, SCRIP, Magazine Sale)
- BLS or parish-sponsored organizations or events (ex: Bishop Leibold Athletics / CYO Cub/Boy Scouts, Brownies/Girl Scouts, school extracurricular activities, ScienceFEST, etc.)
- Announcements from Our Lady of Good Hope / St. Henry / St. Mary's of the Assumption (ex: Knights of Columbus, Vacation Bible School, Confirmation, First Communion.)
- City, Township, Metro Parks or YMCA programs for students
- Materials from local high schools.

Organizations, businesses or clubs that have no affiliation with the school and are offering a service or event for their own profit will not have access to our Designated Carrier Program. A table in the cafeteria or the office area is provided to allow students or families to attain the materials they want.

ELECTRONIC COMMUNICATION

A weekly email Blast is sent to a family email address throughout the school year. This communication works in conjunction with our School Management System, Option C. This system is also used to communicate to parents via text and phone call in case of urgent updates or emergency situations. Please email our Marketing and Enrollment Manager for questions about the Blast at rprindle@bishopleibold.org. Bishop Leibold maintains a school calendar online at our website (www.bishopleibold.org) that is regularly updated. We will have a digital school directory that is available to all families in late September. We also invite you to follow us on social media! We are on Facebook (Bishop Leibold School), Instagram (Bishop Leibold School), and Dr. Wallace is on twitter (@principalBLS)!

PHONE CALLS

It is important to limit the number of times that any classroom is interrupted. No phone calls may be made by students without the Principal or secretary's permission. If a family member needs to contact their student or teacher regarding information during the school day, please call the office and we will deliver the message.

VISITORS

The school welcomes visitors, but state laws regarding safety do regulate visits to school. Visitors to classrooms are asked to pick up the visit guidelines in the Main Office when you sign in.

Unscheduled parent visits to the classroom, cafeteria, and playground during the school day should be limited. The Principal has the right to ask a visitor to leave the building if the visitor is interfering with the normal educational process.

VOLUNTEERS

Volunteers in School or School related activities: All employees, substitute teachers, and volunteers must be fingerprinted by the Archdiocese of Cincinnati – no other agency. The list of fingerprinting locations is on the Archdiocesan website. It is Archdiocesan policy that no employee or volunteer may have contact with children until a clear background check on the individual has been received. There are no exceptions to this policy. This means that new staff and volunteers may not begin their services until this process is complete. All staff and volunteers must have participated in the Archdiocese VIRTUS class prior to service. The dates/times of these classes are on the Archdiocese of Cincinnati website. www.catholiccincinnati.org

CONFLICT RESOLUTION

If you have an issue or a conflict that needs to be resolved please follow the steps below.

1st step: Contact should go directly to the BLS staff member most involved with the situation. This is usually the teacher (except in rare instances - teacher is out of school for illness, etc.) A BLS parent should expect a return email or call within 24 hours of the parent attempt to contact the Staff member except for Friday afternoon. In this case the staff member will respond by Monday afternoon.

2nd step: If the timely response by the appropriate staff member does not resolve the situation, the parent is invited to contact the Principal.

FOOD POLICY

Birthday Treats

It is our goal at Bishop Leibold School to create not a safe environment for all children and one that promotes healthy lifestyle behaviors. With that in mind, we also want to celebrate and honor your child on their birthday if you wish to. The school welcomes **non-edible birthday treats** such as: (pencils, erasers, stickers, novelty items, a classroom board game, books for the classroom library, a donation to the Guardian Angel Fund or a local charity, etc.) Students should bring their birthday items to school and their teacher will assist in passing them out or acknowledge the classroom donation at their discretion.

Food Allergy Policy

We have developed a process for handling any food allergies that an individual student has. If your child is allergic to any food, please ask the Nurse for a copy of the food allergy policy/procedures which includes responsibilities of the parent, student, and school. This can also be located on the school website.

HEALTH SERVICES / MEDICATIONS

Office Hours

Bishop Leibold School has a part-time nurse who attends to student health needs at both campuses. The school nurse is available Monday and Wednesday and half day on Friday during regular school hours and may be reached by calling either campus office.

Health Records

In compliance with the Ohio Department of Health, accurate medical records are kept on every student. A complete record of immunizations or exemptions is kept on file in the health office. **State law requires that each student must have evidence on file by the fifteenth (15th) day of entry to school that he/she has received or is in the process of receiving required immunizations. Noncompliance is a possible reason for exclusion from school.** A physical exam is required and a dental exam recommended at the time of enrollment at Bishop Leibold School. The school nurse will conduct and document routine vision and hearing screenings as required by the state and parents will be notified if follow up care is recommended. Other health screenings such as dental and postural screenings may be conducted by the school nurse but are not required by the state of Ohio. All students with a chronic health condition will have an Individualized Health Plan on file. Emergency Action Plans are on file for all students with emergency health needs. The school nurse is responsible for maintenance of the student health records.

Emergency Medical Authorization

An Emergency Medical Authorization Form must be completed on each student by the parent/guardian and returned to school during the first week of a new school year. The information on this form is used to contact the parent/guardian in the case of an illness or emergency while the child is at school. Should the information on this form change during the school year, please call the school office so that accurate information may be added to your child's form.

Medication Policy

Most medications can and should be taken at home. A student who requires medication during school hours, (prescription or over-the-counter) must have a parent/guardian written permission and a signed physician's statement completed form on file in the office. The school nurse is responsible for the monitoring and administering of medications at school. However, in her absence, the school secretary or an administrator will administer students' medications.

When it is necessary for school personnel to assist with the administration of medication (prescription or over-the-counter), the following procedure is mandated by the Ohio Revised Code:

1. The principal shall appoint a responsible person or persons to supervise the storing and assisting the student with administration of medication in the absence of the school nurse.
2. Medication, whether prescription or over-the-counter, will be administered **only** if accompanied by the "AUTHORIZATION FOR THE ADMINISTRATION OF MEDICATION BY SCHOOL PERSONNEL" form, properly completed by the physician and parent/guardian.
3. Medications must be in the original container and have an affixed label including the student's name, name of medication, dosage, route of administration and time of administration.
4. New request forms must be submitted each school year, and as necessary, for changes in medication order.
5. Submit a separate medication request form for each medication.
6. Medications and the signed permission forms must be turned into the school nurse or school personnel in the school office by the parent/guardian.
7. Students may not keep or transport any medication (prescription or over-the-counter) in their possession. State law does allow a student to carry emergency medication, such as an inhaler or Epi-Pen on them only if a physician has ordered such and this order is on file in the health office.
8. Students are permitted to keep cough drops in the office/classroom if accompanied by a note from the parent.

*Epi-pens, inhalers, and other medication forms along with the medication given **must** be at school by the first day of school.

First Aid and Accidents

School personnel will take every precaution to avoid accident or injury to the students. The principal will be notified immediately when any serious accident occurs. Parent/guardians will be especially notified about any serious blows to the head. Students with minor blows/bumps to the head will take a written protocol sheet with information regarding head injuries home to the parent/guardians.

An injured student will be taken to the nurse's office if the nurse is present or to the school office otherwise. If a seriously injured student cannot be moved, the student will be made as comfortable as possible and the emergency squad will be called. Parents will be notified immediately if such action is taken. If the parent/guardian cannot be contacted, school personnel will follow the instructions listed on the student's Emergency Medical Authorization Form.

Illness and Medical Conditions

Please keep the school nurse and office staff updated on any medical conditions that may arise during the school year/day. (I.e.: allergies, food allergies, asthma, Epi-pen, seizures, diabetes, treatments, etc.) If your child has a chronic, serious, or newly diagnosed condition please contact the principal and the school nurse as soon as possible.

Students with fevers (greater than 99.9°) or vomiting will be sent home. Parents/guardians will be notified of students' conditions as listed on the Emergency Medical Form. Students may return to school when they are fever free for 24 hours without medication and 24 hours after their last vomiting episode.

Suicide Prevention

If a student has expressed consideration of or has attempted suicide, the school will connect with parents to determine and agree to a safety plan for school attendance. Included in the safety plan will be an expectation that a formal medical assessment has been completed and permission granted from the parents for the school to communicate with the medical personnel providing care for our student.

Communicable Disease

The Ohio Department of Health guidelines will be followed when a child comes in contact with a communicable disease. Please notify the school nurse if your child is exposed to and/or contracts a contagious disease, so the necessary precautions can be taken. Do not return your child to school without physician permission. In some cases, the school nurse may need to decide whether the student may return to school.

SCHOOL SAFETY REGULATIONS

Fire and Tornado Drills – Fire drills are conducted on a monthly basis to practice a prompt and orderly evacuation of the building. Students are instructed to walk quickly and in absolute silence. Tornado drills are conducted in the spring. Students will proceed to a designated shelter area in silence.

Lockdown Drills – Lockdown drills will be held in accordance with state law. The school will send a voicemail to all families to alert them of the drill. If an actual lockdown should occur parents will be contacted immediately via email, text and phone. Please ensure that your contact information and preferences are updated in our Option C system.

Bicycle Safety – Students who ride bikes to school must walk their bikes on school grounds. It is suggested that helmets be worn and that students lock their bikes to the bike rack during school hours.

School Bus Safety – Students must remain seated to keep aisles and exits clear. Food and drinks are not permitted on the bus. Students may not put head or arms out the bus windows or throw objects on, from or at the bus.

CRISIS MANAGEMENT

The school has a printed crisis plan in the office. The school follows the guidelines of the state. The plan is reviewed annually at the opening staff meeting.

FULL COMPLIANCE

Per Federal regulations it is necessary that our school families be notified that Bishop Leibold School is in full compliance in providing the necessary safety precautions when dealing with asbestos materials found in the building. All Federal regulations have been followed and our school has passed all inspections.

LOST AND FOUND

Bishop Leibold maintains a lost and found at both school campuses. For questions regarding items turned in or missing, please contact the main office.

MOVIE POLICY

The media is ever present in the lives of our children and families. Whether it is radio, TV, movies, CDs or the Internet, the media is a constant in our lives. Because the media provides a visual snapshot of events and actions that can enhance the learning of our students, it becomes a viable instructional tool. Of course, how movies are utilized must be tempered with good judgment, especially when deciding on the appropriateness of the material. The following guidelines are followed when utilizing the media for instruction:

- How does the movie enhance the classroom instruction?
- Does the movie assist in meeting the instructional goals of a lesson or unit?
- Have the movie ratings from the US Congress of Catholic Bishops been viewed? (www.usccb.org/movies/) A rating above A-I should not be used at the West Campus, likewise a movie rated above A-II should not be considered at the East Campus.
- Advice from school administration has been sought.
- Prior to classroom viewing of a movie, the teacher will inform the parents of their plan to show the movie, including the date, instructional purpose, and possible objectionable content that is outweighed by the value of viewing the film.

PARTIES

Two parties are held in school by the homeroom parents – Christmas and Shrove Tuesday. All other parties must have the permission of the principal. Invitations are not to be distributed at school for parties held at home, unless all the students are invited.

OPTION C

Option C will be the online grade book for Bishop Leibold. Ongoing parent/student/teacher communication is essential to a successful educational process. Option C provides parents and students with 24/7 access to classroom information and grades. Option C will be used for the posting of interim grades and report cards. Hard copies of these reports will only be sent home if the parent requests. Please send these requests to your child's homeroom teacher. (see Report Cards for additional information.)

REVIEW OF RECORDS

Parents have a right to review children's records on request. They may inspect and review records and data directly related to their children. This material is contained in the cumulative record folder and consists of academic work

completed, level of achievement, grades, standardized test scores, attendance data, health data, teacher or counselor ratings and serious behavior patterns.

In such matters where a divorce or separation has occurred in a family, it is presumed that either parent (custodial and non-custodial) of the student has the authority to inspect and review educational records of the student, unless the school office has been provided with evidence that there is a legally binding instrument to the contrary. If a divorce or separation occurs in a family, the school office should receive a certified copy of the court order stating which parent has custody of the child.

The parent with custody has the right to receive all status reports and report cards for the child. If the non-custodial parent also requests reports, they must be sent unless a legal decree does not allow this to occur.

STUDENT-PARENT-TEACHER CONFERENCES

Parents are urged to confer with their child's teachers on a regular basis, especially if they receive notice of academic deficiencies or conduct problems. Open and frequent communications are necessary components in the school-family relationship. You are encouraged to contact your child's teacher if you would like to meet to discuss your child's progress during the course of the year. It is highly recommended that the student be present at these conversations.

Student-led conferences will be held twice this year and all students and parents are expected to attend.

Conferences will be required and held after third quarter for all students in danger of failing for the year or possibly being retained. Parents are asked to email, phone, or write a note to the teacher for an appointment time. Drop-in visits are less productive and may not allow for enough time for preparation to discuss an issue.

TUITION POLICIES / TUITION AWARDS

1. BLS has a partnership with the FACTS Management System. Families are required to select a payment schedule through FACTS. FACTS will be handling all billing and questions regarding tuition payments. The initial payment is due no later than July 15th (based on the plan you have chosen). No child will be officially enrolled until the initial payment has been submitted.

2. FACTS offers the following payment plans:

- FACTS - Pay in Full Plan: Due either July 1st or the 15th.
- FACTS - Semi Annual Plan: Due in July and January on either the 1st or 15th
- FACTS - Quarterly Plan: Due July, Nov., Feb., and May; select due date of either the 1st or 15th of the month.
- FACTS-11 Monthly Pay Plan: Starting in July through May; select due date of either 1st or 15th.
- Service fees are as follows for not paying in full: 4 pay plan = 1.5% and 11 pay plan = 2.3%.
- FACTS charges a separate enrollment fee each year for selecting any plan other than the one pay. They are as follows: Pay in Full Plan = No charge, Semi Annual Plan = \$20, 4 pay plan=\$45 enrollment and 11 pay plan=\$45 enrollment.

NOTE: Re-enrollment is required for each school year and fees are subject to change.

3. In order to be considered for parishioner tuition status a family must be registered at either Our Lady of Good Hope or St. Henry Church. BLS families attending St. Mary's or St. Augustine- Germantown are provided the parish tuition rate. It is up to each family to determine the appropriate level of financial support they can afford to contribute using the envelope system at each parish.

4. Failure to keep tuition payments current can lead to the following:
- a.) Upon student withdrawal or graduation, school records will be held.
 - b.) Students will not be able to return at the beginning of the new quarter.
 - c.) Tuition accounts not settled by June 30th of the school year will lead to the student(s) being withdrawn from Bishop Leibold School.

While we understand that special circumstances can arise, we feel that the ultimate responsibility for payment of tuition rests with the parents. **If circumstances arise that make payment of tuition difficult, it is important that the pastor(s) and principal be contacted to make arrangements for payment. We hope you understand and respect our position.**

Tuition Assistance Program:

It is the intent of Bishop Leibold School to enable all children whose families wish to educate their children here to remain enrolled. If you are considering withdrawing your child from Bishop Leibold for financial reasons, we encourage you to contact the Principal to see if any help can be made available.

A budgeted amount of money has been set aside for income based tuition assistance. This program addresses the economic needs of parishioner families based on family income. If your family's adjusted gross income from the IRS tax form is below \$60,000 you may be eligible for tuition assistance. A designated dollar amount has been set aside in the budget to provide this assistance. The number of eligible applicants will be a factor in determining the distribution of the aid.

Parents requesting tuition assistance will be sent the necessary materials in mid-March. Notification of tuition assistance will be made available during the first two weeks of May. All recipients of financial aid **MUST** be parishioners and be expected to pay tuition of at least \$1000 per student. There is a \$28.00 fee that is to be paid when completing the Tuition Assistance Application via the FACTS Grant and Aid system.

Guardian Angel Fund:

BLS has established a Guardian Angel Fund in conjunction with St. Henry and Our Lady of Good Hope parishes. Parish benefactors make contributions as a gift to assist families, who due to an unforeseen hardship, are struggling to pay tuition. Requests for GA funds are to be made by school families to the principal or pastor of their parish.

WITHDRAWALS

If a student is being withdrawn from Bishop Leibold School for any reason, the school office is to be notified as soon as possible. The family will be required to complete a withdrawal form to be kept in the student's file.

All financial matters must be paid to-date at time of withdrawal or the school will withhold records until this is taken care of.

HANDBOOK TERMS AND CONDITIONS

Bishop Leibold School reserves the right to amend or change this document at any time. All interpretations of this handbook and school policies are the decision of the school administration and are final. Each family is required to complete an online acceptance form each year that will be kept on file.

- 4) Complaints
 - a) Formal Complaints
 - i) Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such written reports shall be reasonably specific including persons involved, number of times and places of the alleged conduct, the target of the suspected harassment, intimidation, or bullying, and the names of any potential witnesses. Such

reports may be filed with any School staff member or administrator, and they shall be promptly forwarded to the principal or his/her designee.

b) Informal Complaints

i) Students and/or their parents/guardians may make informal complaints of conduct that they consider to be harassment, intimidation, or bullying by verbal report to a teacher, School administrator, or other School personnel. Such informal complaints shall be reasonably specific as to the actions giving rise to the suspicion of harassment, intimidation, or bullying, including persons involved, number of times and places of the alleged conduct, the target of the prohibited behavior, and the names of any potential witnesses. A School staff member or administrator who receives an informal complaint shall promptly document the complaint in writing, including the above information. This written report by the School staff member and/or administrator shall be promptly forwarded to the principal or his/her designee.

c) Anonymous Complaints

i) Students who make informal complaints as set forth above may request that their name be maintained in confidence by the School staff member or administrator who receives the complaint. The anonymous complaints shall be reviewed and reasonable action will be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the concept of fairness to the student alleged to have committed acts of harassment, intimidation, or bullying.

5) School Personnel Responsibilities

a) Teachers and Other School Staff

i) Teachers and other School staff who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the principal or his/her designee of the event observed, and shall promptly document the events witnessed. Teachers and other School staff who receive student or parent reports of suspected harassment, intimidation, or bullying shall promptly notify the principal or his/her designee of such reports. If the report is a formal, written complaint, such complaint shall be forwarded promptly to the principal or his/her designee. If the report is an informal complaint by a student that is received by a teacher or other staff member, he or she shall document the informal complaint and promptly forward it to the principal or his/her designee.

ii) In addition to addressing both informal and formal complaints, School personnel are encouraged to address the issue of harassment, intimidation, and bullying in other interactions with students. School personnel may find opportunities to educate students about harassment, intimidation, or bullying and help eliminate such prohibited behaviors through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student or individual, even if such conduct does not meet the formal definition of harassment, intimidation, or bullying set forth above.

b) Administrator Responsibilities

i) Investigation

(1) The principal or his/her designee shall be promptly notified of any formal or informal complaint of suspected harassment, intimidation, or bullying. Under the direction of the principal or his/her designee, all such complaints shall be investigated promptly. The principal or his/her designee shall document the investigation, including any conversations with the alleged offender, victim, students, or other witnesses. Written statements may also be obtained from these individuals.

(2) Notwithstanding the foregoing, when a student making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint (with or without discussing it with the alleged offender), subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

ii) Response

(1) Verified acts of harassment, intimidation, or bullying shall result in an intervention by the principal or his/her designee. The intention of such intervention is to ensure that the prohibition against harassment, intimidation, and bullying is enforced, with the goal that any such prohibited behavior will end.

(2) When acts of harassment, intimidation, or bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences, including suspension and expulsion. Anonymous complaints that are not otherwise verified, however, shall not be the basis for disciplinary action.

(3) Harassment, intimidation, and bullying behavior can take many forms and can vary dramatically in seriousness and impact on the victim and other students. Accordingly, there is no one prescribed response or discipline to verified acts of harassment, intimidation, or bullying. The forms of discipline listed in this Handbook are guidelines, and the

School may use other disciplinary measures as the situation warrants. The decision whether to impose discipline and, if so, to what extent, is left to the professional and educational discretion of the principal or his/her designee.

- (4) Once harassment, intimidation, or bullying has been verified, the principal or his/her designee should monitor the situation to determine whether there have been additional incidents of harassment, intimidation, or bullying, or retaliation from the offender or other parties. Additionally, the principal or his/her designee may inform School personnel of the incident and instruct them to monitor the victim and the offender for indications of harassing, intimidating, bullying, or retaliatory behavior. School personnel are to intervene when prohibited behaviors are witnessed.

iii) Reporting

(1) Report to the Parent or Guardian of the Offender

- (a) If after investigation, an act of harassment, intimidation, or bullying by a specific student is verified, the principal or his/her designee shall notify the Offender's parent/guardian of that finding. The parent/guardian shall also be notified of any disciplinary consequences imposed against that student.

(2) Report to the Parent or Guardian of the Victim

- (a) If after investigation, an act of harassment, intimidation, or bullying against a specific student is verified, the principal or his/her designee shall notify the victim's parent/guardian of such finding.

(3) Police and Child Protective Services

- (a) Allegations of criminal misconduct will be reported to law enforcement, and suspected child abuse will be reported to Child Protective Services, consistent with the Archdiocese Decree on Child Protection and Ohio law. All School personnel must cooperate with investigations by outside agencies.

6) Miscellaneous

- a) No discipline issued pursuant to any Handbook shall bind the School to issue the same, or even comparable, discipline to other students in the future. Nor will any form or extent of discipline be construed as a precedent for how discipline will be imposed moving forward. Rather, the School reserves sole judgment and discretion in disciplining students based on the particular circumstances of each incident, including but not limited to the respective age(s) of the student(s) involved, the student(s)' perceived maturity level, the conduct at issue, the student(s)' attitude and degree of cooperation, the student(s)' disciplinary history, and any other aggravating or mitigating circumstances the School deems present. Nothing in this section, or anywhere else in this Handbook, limits or otherwise constrains the School's authority, discretion, judgment, or responsibility in any student disciplinary matters.
